

### GRIP SNATCHER HELD BY POLICE

Alleged Thief May Also  
Be An Army De-  
serter.

Alex Newson, alias Ed Herrald, arrested late Sunday night as he was leaving the 9 o'clock Prison train, was yesterday remanded to jail pending advice from Henryetta, where he claims to live. Two suits cases in his possession at the time of his arrest were found yesterday to contain positive evidence that they belong to persons who were passengers on the train.

One suitcase contained clothing marked "Jesse Meyers, P. O. Box 23, Chelsea, Mich." and also a bank book and bank statements with similar markings. There were also a number of pictures evidently the property of a Jesse Meyers of Chelsea, Mich. The other suitcase was identified by friends as the property of R. M. Shook, an old man of Fort Worth who had been visiting here during Christmas. Shook had been cautioned by his friends before boarding the train to watch out for grip snatchers, friends told the police yesterday.

"The man is evidently an all round crook and also apparently a deserter from the army," Henry Carmichael, chief of detectives, said last night. The evidence against the man appears to point to a series of small offenses in this city and he is being held pending advice from Henryetta, where he says his father is "a business man."

The alleged crook was under surveillance several days before his arrest, according to Henry Rice, police officer who made the arrest, and was seen boarding the train empty handed at the Prison station. As soon as the man got off the train with the two suitcases, he was placed under arrest and taken to the city jail.

Among the personal effects of the man under custody was found a receipt given to Mike Marks by the law firm of Stuart, Cruce & Riddle, dated December 20, 1918, according to detectives pointing out that the man had "worked off" here before his recent operations.

A number of petty cases were disposed of in police court yesterday.

### DOCTORS USE CALOTABS FOR COLDS AND FLU

Influenza and Grippe, Like Ordinary  
Colds, Require Calotabs, the  
Purified and Refined Calomel  
Tablets That Are Nausea-  
less, Safe and Sure.

Physicians and druggists claim that the great epidemic of influenza has conclusively demonstrated that the quickest relief for a cold and the best preventive of influenza and pneumonia is to keep the liver active so that the digestive organs may be in perfect condition. For this purpose Calotabs, the new nausealess calomel tablets that are free from the sickening and weakening effects, is the most thorough and dependable, as well as the most agreeable laxative.

Calotabs have the special advantage of not making the patient sick and weak, as they do not upset the digestion and appetite. One Calotab at bed time with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine with a hearty appetite for breakfast.

For your protection, Calotabs are sold only in original sealed packages, price thirty-five cents. Sold by all druggists and your money back if you are not delighted with them.—Adv.

### SEWER TAX CASE IN COURT

City Enjoined From Collecting Tax  
Levied in Special Districts.

Enjoining the defendants from levying or collecting special sewer taxes against property in sewer districts Nos. 107 and 120, a temporary restraining order was made in district court yesterday on petition of the plaintiff in the suit of R. C. Woodward and J. W. Whitney against the city of Tulsa. Hearing on the order is set for January 20.

The plaintiff claims the special sewer district taxes are illegal and that therefore the court should order that the property in these districts exempt from such taxes.

### FORMER POLICE CHIEF IS DEAD

Edward Lucas Succumbs  
at Home in Baxter  
Springs, Kan.

After several years of failing health, Edward L. Lucas, age 57 years, former chief of police, died at his home in Baxter Springs, Kan., early Monday morning, according to advices received in this city yesterday. Mr. Lucas, for two years head of the Tulsa police under Mayor John H. Simmons, left the city a few months after leaving office, in May of 1918, and sought to regain his health by living on a farm near Baxter Springs, his old home. At the time of his death he was living with his mother and his brother,

O. Lucas, also a former member of the Tulsa police force.

The deceased, a pioneer settler in southeastern Kansas, came to Indian territory 20 years ago, and for many years was a deputy United States marshal prior to statehood. During his term as chief of police of Tulsa, he lived with his aunt, Miss Kate Scroggs, at 124 South Elwood avenue.

### GET AUTO LICENSE BLANKS

Tulsa Auto License Inspector Is Receiving 1920 Applications.

Application blanks for use of automobile owners in obtaining the 1920 state automobile licenses have been received in this city by James Poutz, auto license clerk. The 1920 licenses require the payment of \$5 on any cars with a list price of \$500 or less, with 75 cents for each \$100 or fraction thereof above this amount. A reduction of 25 per cent is allowed after the second

year of the car's life, for a period of three years.

The yearly tax as to motor trucks from \$15 a year for all trucks with a capacity of 1 1/2 tons or less, to \$300 a year for trucks over eight

tons capacity. No reduction for age of trucks service is allowed on trucks with a capacity of more than five tons, and those in the latter class carry the same reductions as passenger cars.

Visitor Was Slightly Hurt.

Mrs. Ida Fowler of Montezuma, Kan., was slightly injured yesterday afternoon when a light automobile in which she was riding struck a street car on Third street near De-

troit. She was taken to the Oklahoma hospital where it was learned that her injuries were not dangerous. Mrs. Fowler had been waiting for her sister, Mrs. Dora Smith of Broken Arrow.
